

## **COLOR COVERT MATCHBOX**

Our hardwired color matchbook is an excellent concealment for numerous covert operations, including drug stings, employee theft, and for vice squads. The super small size makes it easy to place almost anywhere.

## **SMOKE DETECTOR CAMERA**

With this covert smoke detector, you will have a commanding, unobstructed view of your home or office environment without revealing your concealment. This industrial-cased smoke detector camera is perfect for uncovering employee theft problems or as a discreet nanny camera. This covert smoke detector camera is never out of place in an office, home, retail business, or warehouse.

## **PEEPHOLE CAMERA**

This hidden camera has a 150° field of view lens will give you a wide image to ensure you know who is at the door.

## **COLOR SILK PLANT CAMERA**

This is an outstanding covert camera for situations such as uncovering nursing home abuse or as a convincing nanny camera. The camera also provides great video under dusk-like conditions.

## **COLOR POWER ADAPTER CAMERA**

This wonderful color wireless power adapter camera sends crystal clear video up to 500 feet. It also provides excellent picture quality in low light.

## **COLOR WIRELESS FLIP PHONE CAMERA**

The rechargeable internal batteries can power the camera and transmitter for up to 3 hours. The camera sends crystal-clear video up to 500 feet. Phone is nonfunctional.

## **BROOCH CAMERA**

The pinhole lens is undetectable and has a wide 85° field of view. The camera can transmit crystal clear video up to 500 feet.

## **COLOR WIRELESS CIGARETTE PACK CAMERA**

This wireless color cigarette pack camera might be one of the most versatile concealments we can offer. You can even switch to your preferred brand. The camera has internal batteries which powers the camera for up to 2 hours.

## **COLOR CALCULATOR CAMERA**

White collar crime has become more rampant in recent years, and the ability to detect and document this activity has evolved with the calculator camera. Just leave the working calculator in an office and receive video up to 500 feet away.

## **DESK CLOCK**

This beautiful fully-functional oak clock covert camera would look great in any office, nursing home or household. The wireless unit transmits great video up to 1000' line of sight with ease.

## **PENCIL SHARPENER**

Almost every office has a pencil sharpener, and that makes this covert camera an excellent choice to uncover employee theft problems and corporate embezzlement.

## **BOOM BOX**

This fully-functional AM/FM radio, CD player and cassette deck boom box can transmit for up to 4 hours.

## **ELECTRICAL BOX**

This covert electrical box camera works equally well in a warehouse or outside watching your receiving dock. Thousands of us go to work everyday and pass electrical boxes just like this and pay no attention to them. No one will suspect that this nondescript electrical box actually houses a wide angle pinhole camera that can transmit up to 1000 feet away.

## FULLY-FUNCTIONAL CLOCK RADIO

This clock radio has a simple low-tech look that can make it inconspicuous in numerous covert operations such as a nanny cam, nursing home cam or for vice unit use. The clock radio is fully functional. The picture quality is astonishing and outstanding for a clock radio camera. Power to the camera is supplied through the power cable on the clock radio.

## AIR PURIFIER

This fully-functional air purifier can be inconspicuously placed on a table or desktop. Take advantage of the built-in mounting bracket to hang it on a wall. It's subtle enough for a baby's room, yet suitable for all office environments.

## **VCR COVERT CAMERA**

This functional 4-head VCR has the ability to covertly view and record images to standard VHS tapes. While in covert mode the front panel lights and buttons are disabled, further helping to keep this unit discrete. This wireless unit has four channels and can transmit video up to 1000 feet away. The VCR camera is an excellent choice as a nanny camera, in educational institutions and break rooms.

## **LOUDSPEAKER**

This functional loud speaker creates a convincing concealment to look over your warehouse and production facility. The camera is located in the cone itself and the speaker is fully functional.

## **BLANK VHS TAPE CAMERA**

This covert VHS tape camera can be easily placed on a shelf or table and send high quality video up to 1000 feet away. The internal AA batteries power this outstanding covert camera for up to 6 hours.

## **RESIDENTIAL WALL CLOCK**

This classy residential wall clock camera makes a beautiful and functional decoration for your home or professional office. No one will suspect that this sophisticated clock actually houses a wide angle pinhole camera that sends video up to 1000 feet away.

## **FRAMED PRINT CAMERA**

Enhance your office or work environment with this attractive way to observe your business or use as a nanny cam.

## **SPRINKLER HEAD CAMERA**

The hardwired sprinkler head camera is the perfect solution for covert video installation in almost any environment. Please note, sprinkler head is not functional and should not be used as a safety device!

## **FLOODLIGHT CAMERA**

This floodlight camera quickly screws into your outdoor light fixtures and sends video to your television or VCR through the existing wiring in your home or office.

## **EMERGENCY WALL LIGHT CAMERA**

This user-friendly emergency wall light camera is effective in many commercial applications to uncover employee theft issues. This wireless setup can transmit a crisp, clear video image up to 1000 feet away. Please note: this unit is not functional and not intended for use as a safety device.

## **EXIT SIGN CAMERA**

Kill two birds with one stone with this fully functional exit sign camera. In addition to providing well lighted exits, this camera provides you with peace of mind by surveying and recording your most vulnerable location: your doorway areas. Excellent in warehouses, distribution centers, office environments, hospitals and nursing homes.

## **GYM BAG CAMERA**

This covert gym bag camera is perfect when it is difficult to transmit a wireless signal.

## COMPUTER SPEAKER CAMERA

Want to keep a watchful eye on your computer and documents when you are away? Need a way to document visitors to your office? This fully-functional computer speaker camera will meet and exceed your needs. The cleverly concealed camera will capture the action while the speakers provide clear audio output from your computer. Compatible with most Windows-based personal computers, these speakers are also great for use at home!
