Problem Description—Why I want Cameras? _____

The correct camera selection is VERY IMPORTANT and is based upon many factors.

Please check below, all that apply.

Number of Cameras: Single Two Three Four or more

Color or Black/White: Color Black/White

Placement: Indoors Outdoors

Type: Dome Bullet Vandal Resistant Wireless Hardwired Covert

Resolution: Hi, Clearly I D Face Med - Lo, Face I D Not Important

Night or Day Viewing: Both Day Night

Viewing Angle: 30-45 degrees 46-90 degrees greater than 90degrees

Viewing Distance: 10-20 ft 21-30 ft greater than 30 ft

I understand that ASC does not sell camera equipment for customer installation and will install a minimum of 1 camera with recorder, or a minimum of 3 cameras without a recorder.

I am ready to have an ASC professional evaluation of my camera needs and request.

A \$65 charge applies and will be refunded at the time of installation.

I'm available: weekdays between 9am – 5pm weekdays between 5:30pm – 7pm

Saturdays between 10am – 12pm Saturdays between 1pm – 3pm
