Security System Ownership Certificate

Congratulations on the purchase and installation of your Security Networks Security System. You now have one of the most sophisticated monitored security systems designed to give you years of peace of mind. Additionally, you may qualify for a discount on your homeowner's insurance premiums. When completed, this certificate should contain all of the information required by your insurance company for discount eligibility. It also serves as a record of your original system installation.

This is to certify that a Security Networks Security System has been installed at the following location:

Address _____

City _____ State _____ Zip _____

Customer Name _____

Home Phone (____) _____

Date of Installation _____

The following detection is provided by security equipment installed:
(Check all that apply)

- | | |
|--|---|
| <input type="checkbox"/> Intrusion | <input type="checkbox"/> Perimeter Doors |
| <input type="checkbox"/> Fire | <input type="checkbox"/> Perimeter Windows |
| <input type="checkbox"/> Emergency/Duress | <input type="checkbox"/> Interior Motion Sensor |
| <input type="checkbox"/> Medical Emergency | <input type="checkbox"/> _____ |

The system at this location is monitored 24 hours a day by Security Networks' UL-listed central monitoring station, which will dispatch the proper authorities in the event that an emergency signal is received.
